REPORT OF INDEPENDENT ACCOUNTANTS

To the Board of Directors David Ortiz Children's Fund

Report on the Financial Statements

We have audited the accompanying financial statements of David Ortiz Children's Fund (the "Organization"), which comprise the statements of financial position as of June 30, 2020 and 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of David Ortiz Children's Fund as of June 30, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States.

Notes to Financial Statements

1. Summary of Significant Accounting Policies:

Description of Organization: David Ortiz Children's Fund (the "Organization") is a 501(c)(3) organization under the Internal Revenue Code that provides essential support for children in the Dominican Republic and in New England who cannot afford the critical cardiac services they need. The Organization is proud to partner with CEDIMAT Hospital in Santo Domingo and the Massachusetts General Hospital for Children to fulfill this mission. Through outreach, education, and support for medical care, we're committed to enhancing the health and well-being of children who require life-saving heart surgeries.

In March 2020, COVID-19 was declared a worldwide pandemic and has had a significant impact on the national and global economy. As a result, all events after March 2020 were either postponed or canceled and as of the date of issuance, event activity has not returned to prior levels. Management implemented certain cost-cutting techniques, and are reorganizing fundraising events. The ultimate impact of COVID-19 on the Organization's future financial state is unknown at this time.

Basis of Accounting: The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States ("GAAP") as determined by Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC"), which require reporting information regarding its net assets and related revenues and expenses according to these two classes of net assets:

Net Assets Without Donor Restrictions – Net assets that are not subject to donor-imposed stipulations. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as without donor restrictions support. If the Board of Directors specifies a purpose where none has been stated by the original donor, such assets are classified as Board-designated within net assets without donor restrictions.

Net Assets With Donor Restrictions – Net assets with donor restrictions are net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Use of Estimates: The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Notes to Financial Statements, Continued

1. Summary of Significant Accounting Policies, Continued:

Newly Adopted Accounting Standard: In June 2018, the FASB issued ASU 2018-08: Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made ("Topic 958"), which is intended to provide specific criteria to determine whether a contract or agreement should be accounted for as a contribution or as an exchange transaction. The ASU provides a framework for determining whether a contribution is conditional or unconditional. Prior to the ASU, FASB's new revenue recognition standard eliminated exchange guidance and added additional disclosure requirements that are not relevant to these types of transactions. Specific to contributions and grants received by the Organization, the amendments in this ASU are effective for fiscal years beginning after December 15, 2018 with early adoption Specific to contributions or grants awarded by the Organization, the permitted. amendments in this ASU are effective for fiscal years beginning after December 15, 2019 with early adoption permitted. The Organization adopted this guidance for the year ended June 30, 2020 however it had no significant impact on the financial statements.

Cash and Cash Equivalents: The Organization considers as cash equivalents all short term, highly liquid investments with maturities of three months or less at date of acquisition.

Receivables: Receivables consists of sponsorship donations that were due for 2019 and 2018 events, but not collected as of June 30, 2020 and 2019, respectively. The receivables are considered fully collectable as of June 30, 2020 and 2019.

Pledges Receivable: Contributions pledged are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Donor-restricted contributions are reported as increased in assets with donor restrictions based upon the nature of the restrictions. When a restriction expires, assets with donor restrictions are reclassified to assets without donor restrictions and reported in the statements of activities as net assets released from restriction. The Organization provides an allowance for potentially uncollectible pledges based on the Organization's historical bad pledge experience and based on management's judgment. When pledges are considered uncollectible, they are written off against the allowance. No allowance was considered necessary at June 30, 2020.

Concentrations of Credit Risk: The Organization maintains its cash accounts in several financial institutions. At June 30, 2020 and 2019, deposits were insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000 per financial institution. As of June 30, 2020, the Organization had \$1,147,477 in excess of the federally insured limits. As of June 30, 2019, the Organization had \$1,387,666 in excess of the federally insured limits.

Notes to Financial Statements, Continued

1. Summary of Significant Accounting Policies, Continued:

Concentrations of Credit Risk, Continued: Pledges receivable and revenue are from individuals, corporations, and foundations. As of June 30, 2020, two donors accounted for 100% of pledges receivable, and one donor accounted for 10% of revenue in 2020. There were no pledges receivable outstanding as of June 30, 2019, and one donor accounted for 22% of revenue in 2019. Management believes its credit risk related to these pledge receivables and contributions is limited due to the nature of its donors.

Property and Equipment: Property and equipment are recorded at cost for purchased assets and at fair value for donated items. Major repairs and betterments are capitalized and normal maintenance and repairs are charged to expense as incurred. Depreciation is computed on a straight-line basis over the estimated useful lives of the related assets, which was determined to be three years. Upon retirement or sale of an asset, the cost and accumulated depreciation are removed from the accounts and any gain or loss is reflected in operations.

Grant Payable: Grants authorized but unpaid at yearend are reported as liabilities. Grant payable consists of a single pledged donation to a medical facility made annually and to be paid within the following year. During 2019, the pledge donation was both made and paid out before yearend.

Income Taxes: The Organization is a not-for-profit Corporation that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

Income Tax Uncertainties: Management has evaluated the effects of accounting guidance related to uncertain income tax positions and concluded that the Organization had no significant financial statement exposure to uncertain income tax positions at June 30, 2020 and 2019. The Organization is not currently under audit by any tax jurisdiction.

Recognition of Contributions: Contributions are recognized as revenue when the donor makes a promise to give to the Organization that is in substance unconditional. Contributions that are restricted by the donor as to purpose or time are reported as an increase in net assets without donor restrictions if the restriction expires in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as an increase in net assets with donor restrictions depending on the nature of the restriction. When a restriction expires, net assets with donor restriction are reclassified as net assets without donor restriction. During 2019, there were no donor restricted contributions.

Notes to Financial Statements, Continued

1. Summary of Significant Accounting Policies, Continued:

Contributed Materials, Hospital Charges and Services: The value of contributed materials and the value of contributed services and hospital charges that either (a) created or enhanced a nonfinancial asset or (b) required specialized skills, was provided by individuals possessing those skills, and are of the type that would have been purchased if not contributed, amounted to \$139,466 for 2020 and \$507,234 for 2019 and have been recognized at their fair value as determined either by the donor or estimated by management in the financial statements. In addition, many individuals volunteer their time and perform a variety of tasks that assist the Organization with specific programs, campaign solicitations and various committee assignments. The value of these services could not be estimated and is not recognized in the financial statements.

Advertising Costs: The Organization expenses advertising costs when incurred. Advertising expense amounted to \$4,205 for 2020 and \$1,296 for 2019.

Functional Allocation of Expenses: The cost of providing various program and supporting services have been summarized on a functional basis in the statements of activities. The statements of functional expenses present expenses by function and natural classification. Expenses directly attributable to a specific functional area of the Organization are reported as expenses of those functional areas while indirect costs that benefit multiple functional areas have been allocated. Costs related to personnel are allocated amongst functions based upon the percent of time each employee spends performing each function as defined by their position. Website costs are allocated based on the messaging of content. All other costs are evaluated on a per invoice basis to determine what functions have been served.

Subsequent Events: As a result of COVID-19, the Organization's main fundraising event, the David Ortiz Celebrity Golf Classic, scheduled for November 2020 has been cancelled. As a result, prepaid expenses related to this event as of June 30, 2020 were refunded in August 2020.

Management has evaluated subsequent events through December 14, 2020, the date the financial statements were available to be issued, and has determined that other than the above, there are no subsequent events to be reported in the accompanying financial statements.

Notes to Financial Statements, Continued

2. Pledges Receivable:

The present value of estimated future cash flows of pledges receivable and are expected to be received as follows as of June 30:

	 2020
Due within one year	\$ 249,000
Due in one to five years	 60,000
	\$ 309,000

No discount to the present value of pledges receivable was considered necessary as of June 30, 2020.

3. Net Assets With Donor Restrictions:

Net assets with donor restrictions as of June 30, 2020 were available for the development of a hemodynamic catheterization lab in the amount of \$100,000 and were restricted for time in the amount of \$229,000. There were no net assets with donor restrictions as of June 30, 2019. No net assets with donor restrictions were released from donor restrictions by incurring expenses to satisfy restricted purposes in the years ended June 30, 2020 or 2019.

Notes to Financial Statements, Continued

4. Liquidity and Availability of Financial Assets:

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the years ending June 30, comprise the following:

	2020	2019
Financial assets available within one year: Cash and cash equivalents Pledges receivable, collectible in one year	\$ 1,727,427 249,000	\$ 1,683,674
Total	1,976,427	1,683,674
Less those unavailable for general expenditure within one year: Net assets with donor restrictions	20,000	
Financial assets available in one year for general expenditure	<u>\$ 1,956,427</u>	<u>\$ 1,683,674</u>

As a part of the Organization's liquidity management, it structures its financial assets to be available as its general expenditures, liabilities, and other obligations come due.
